

three to one. In Vineland Roosevelt got two to one. Townships are for Roosevelt by good majorities. Not more than one-half of the registered voters were cast. Wilson carries Cumberland County, polling almost all Democratic vote east.

Gloucester County, fourteen districts out of thirty-eight, gives Roosevelt, 98; Taft, 266. Roosevelt will carry county, Wilson vote light, but will carry county solid.

With only a few districts in, indications are that Wilson will have practically the entire Democratic vote from Princeton. Three districts give Wilson, 153; Taft, 57; Roosevelt, 52. It is thought probable that when the returns are received from the negro precincts Roosevelt will have enough votes to carry the town. The voting is comparatively light.

Senator La Follette's vote was so small that it cut no figure in the contest.

### ROOSEVELT LEADER JOYFUL

**Whiting Says Jersey Will Give 80,000 in November.**

Early this morning Gordon D. Whiting, chairman of the Roosevelt executive committee, made the following statement:

"The list of the direct primary states has come through handsomely. The men who make up the rank and file of the Republican party in New Jersey, who carried the state by 8000 at the end of Roosevelt's administration, have shown that they are still loyal to their old leader. They had with delight his return to the command of the Republican party, and will give him \$80,000 again in November."

Roosevelt has unhooked the old machine leaders, and will now turn the Republican party back to its first principles."

### TAFT BACK IN WHITE HOUSE

**Ends Strenuous Personal Primary Campaign at Last.**

Washington, May 28.—President Taft returned to sight from his strenuous primary campaign in New Jersey, reaching the White House satisfied with the results accomplished by his speechmaking tour, which ended with the opening of the "New Jersey" polls this afternoon.

The New Jersey campaign closes the President's personal participation in the state primary campaigns, as it is not likely that he will go to South Dakota, around which state's primary results interest now largely centers.

### 77 WILL STAND BY ROOT

**Barnes Gives Results of Queries to N. Y. Delegates by Wire.**

William Barnes, Jr., chairman of the Republican State Committee, said yesterday that out of the ninety telegrams sent by him to the national delegates from this state he had received assurances from seventy-seven that they were prepared to stand by the selection of Senator Root as temporary chairman of the Chicago convention.

Some of the delegates supposed to favor the nomination of Colonel Roosevelt have not replied. Lactus N. Littauer, of Gloucester, sent word that he would oppose the selection of Senator Root. Jacob T. Holtzman, of Kings County, who is reckoned as a Roosevelt man, said that he is not wising to commit himself on the question of temporary chairman at this time.

Frank O. Anderson, of Jamestown, is classed as "swinging on the fence."

James Cantine, of Kingston, was reported to have been won over by the Roosevelt forces. This report was pretty effectively squelched by the message sent to Chairman Barnes by Mr. Cantine, which read: "Count me with the organization on every vote except for Roosevelt for President."

In the hope of working upon the emotions of some of the Taft delegates, the Roosevelt forces have been sending out a compilation of delegates, with the following comment: "These are the rock bottom facts about the Republican delegates who will select a Republican President in Chicago on June 28." The last compilation was sent out on May 27 after the Ohio primaries. It was so prepared as to make it appear that Roosevelt actually had more delegates than Taft. It credited Roosevelt with 452, Taft with 252, placed 178 in the contested column and classed 19 as unstructured.

Attention was called yesterday to a change made in the election law last year, which seems to be little realized even by politicians. It provides that there shall be a separate ballot for Presidential electors and a separate ballot box for receiving such ballots. This was incorporated in the Law election law by the Democratic Legislature to take the local state ticket out of the influence of the national ticket. The Democrats hoped thereby to run some chance of electing a Democratic Governor. For instance, even should the state be carried overwhelmingly for the Republican candidate for President, as has been the case for the last sixteen years, one Democratic-elector expressed sorrow yesterday that such a change in the law should have been made just at this time.

It is feared by some that two ballots and separate ballot boxes may prove somewhat confusing.

### HARMON'S HOME FOR WILSON.

Cincinnati, May 28.—The official count of the Democratic Presidential preference vote in Hamilton County yesterday shows that Governor Jackson Harmon's home county by 167 votes. The total vote was 788 for Wilson, 573 for Harmon, Clark, 38, and Bryan, 67.
